Saturday, September 21, 7:30 pm

Drawn from personal and public narratives centered on individual identity in a collective culture, *Hair & Other Stories* investigates issues of body image, race, gender identity, economic inequity, and more. With humor, poignancy, and thoughtfulness, Urban Bush Women—a stirring contemporary dance company committed to pushing the boundaries of storytelling through spoken word, movement, and singing—enacts the everyday pursuit of the extraordinary.

Join the cast for a talkback and discussion in the Stanley Café immediately following the conclusion of the performance.

Urban Bush Women will also create work for the University of Iowa Department of Dance's Dance Gala, In Motion, which will be presented on the Hancher stage on November 15 and 16, 2019.
