Saturday, October 26, 7:30 pm

In this new English translation and innovative take on one of the Western world's greatest dramas, SITI Company invites us to Thebes where Dionysus—god of wine, ritual madness, fertility, and theater (and in this production imagined as a rock star of the first order)—is opposed and imprisoned by King Pentheus. The struggle between wildness and order (and frivolity and seriousness) is at the heart of this play, which still resonates all these centuries later—and perhaps at this moment in particular.

SITI Company's famed co-artistic director Anne Bogart will be on hand to participate in a variety of residency events, including a post-performance conversation with the audience.
